INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you or your parents or your grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim the right to share in this fund, and state where that ancestor resided in 1835 and 1851? Was that ancestor a party to the treaties of 1835-6 or 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

My name is Sarah M. Barbee. My age is 62 years. I live in the Territory. I was raised in Texas and have been here about 25 years although I was born in the Territory. I have been enrolled a number of times. I have been enrolled by the Dawes Commission as a Creek, Creek Indian Roll #1884. Ruby D. Weldon is my sister, and she was on the Creek Indian Roll #113. Viola Johnson is a daughter of Mrs. Weldon. We are half-Creek and half-Cherokee. We really came as the Old Settlers, I think. Sallie Hays is a daughter of my sister. My grandmother was Cherokee and my grandfather Creek. My Cherokee blood comes from my mother. My mother is dead; died in 1888; we thought she was about 63 or 64. She was born in Georgia. I think she came out here in 1832 or 1833. Came to the Territory; after living ~~many~~ a number of years in Texas came back here. She got the bread money, I think. We did not get the strip money but have a judgment against the Cherokee nation. Two or three of my mother's family got the strip money. I don't know why we were left off except because we were married to white men. My mother lived in Texas in 1851. She always considered herself enrolled with the Cherokees. She drew in the Old Settler claims. Her name was Catherine McIntosh. She drew Old Settler money at Fort Gibson. I also drew Old Settler money. Each member of the family drew Old Settler money. My mother claimed to be enrolled all the way down. She married in 1839. My mother was Cherokee and Creek. My father had no Indian. My mother had one-half Creek and the other half-Cherokee. She got her Cherokee blood from her mother who was all Cherokee. Her name was Susannah Row. She lived in the Cherokee nation out here after leaving Georgia. My first husband was Halley.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim the right to share in this fund, and state where that ancestor resided in 1835-6 and 1852. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

James Clark Gordon and Lewis W. Myers being first duly sworn in behalf of Stonewall Jackson, depose and say:

That we are 74 and 71 years of age respectively and reside in Catoosa Co., Ga. and Walker Co., Ga. respectively. He derives his Indian descent from his father, grandfather and great grandfather on his father's side. We know his father and great grandfather, along in the thirties and later forties respectively. They were living in Walker, what is now Catoosa Co., Ga., Chicanuga Creek. The great grandfather was supposed to be a full blood and the grandfather half Cherokee. (Affiant James Gordon states that the Indians were taken away in 1837 when he first went to Ga. (Walker Co.) and understands that the grandfather and great grandfather had lived with the Indians prior to the time of their removal in 1837. Don't know whether they took any part in the councils or were on any roll. Both state that they never went by any name than that of Jackson that they ever heard of. The grandfather's name was Alson Jackson and the great grandfather's name was John Jackson. The whole family was treated as white people but they were considered Indian blooded. They were white and Indian, ~~XXXXXXXXXXXXXXXXXXXX~~ After we came to that country and got acquainted with Alson and Old John they never lived with the Indians. The Indians were all taken away. The brothers of Alson were Ransom, Andrew, Robert and John. One of the sister's name was Abby but we don't think she was married in 1835 but afterwards married a man by the name of Joe Cook. Elmira was the name of another sister and she married a man by the name of Osborn (Lewis). We have stated above that Alson Jackson was the grandfather of applicant and that John Jackson was the great grandfather. That is an error and where Alson and John Jackson are referred to we mean it to read as the father and grandfather of applicant. His great grandfather we do not know. The last we heard of Andrew Jackson he was living in Texas, but we don't know just what part. He claims Indian blood through his father and grandfather, only. Susan Jackson was another sister and married a man by the name of Thomason.

James L. Osborn and James K. Jackson, aged 35 and 55 years, respectively, were produced as witnesses in behalf of applicant but not examined as they heard read the foregoing testimony and have nothing to add thereto. The witness James L. Osborn states that he has filed no application but he never had any knowledge of this matter until 2 or 3 months ago. He claims his Indian descent from the same source as this applicant and if there is any chance for future consideration, desires to file his application and substantiate his claim.

Applicant to all appearances is a white man and presents no Indian characteristics.

Sir:

Replying to your letter of July 6, 1909, relative to your application on behalf of your son Spencer Shelton, Jr., you are advised that under the order of the Court of Claims of April 29, 1907, it was necessary for each adult claimant to file an application in his own behalf, unless such party was under some legal disability which made it impossible for him to file his own claim.

From your application and letter it does not appear that your son, Spencer Shelton, Jr., was under any disability. In fact there is nothing to show that he is living, or that he was living on May 28, 1906, and has since died. For these reasons the claim was rejected.

Very respectfully,

Special Commissioner.

No 47514

Nowata, Oklahoma, August 20, 1910.

Hon. Guion Miller,

Commissioner of the Court of Claims,

Washington, D. C.,

Sir:-

Your attention is respectfully called to the fact that Spencer Shelton, Jr. of Nowata, Oklahoma, a one-half blood citizen of the Cherokee Nation, FCT Roll No. 28229, does not appear on the Roll of Eastern Cherokees entitled to participate in the funds arising from the judgment of the Court of Claims, under date of May 28, 1906. This allottee obtains his right to share in the fund from his father, Spencer Shelton, Sr., who is regularly enrolled on your Roll of Eastern Cherokees opposite No. 24373.

I have carefully investigated this case, and I have the honor to recommend that, if possible, Spencer Shelton, Jr. be permitted to participate in the distribution of any Eastern Cherokee funds remaining in your office after the present payment is concluded.

Charles Colston, a three-quarter blood Cherokee Indian, Five Civilized Tribes Roll No. 26289, and his two minor children, Mary S. Colston, Five Civ. Tribes Roll No. 26290, and Bertha M. Colston, Five Civ. Tribes Roll No. 26391, appeared

in my office today and stated that, on account of his ignorance and negligence, his name and names of his minor children were omitted from the Roll of Eastern Cherokees entitled to participate in the funds arising from the judgment of the Court of Claims of May 28, 1906.

Charles Colston bases his claim to share in this payment through his father, Mack Cloud Colston, who was an Eastern Cherokee, and was living in 1851. Mack Cloud Colston's birth place was the state of Georgia. Charles Colston's mother was a daughter of Liza Downing, a Tennessee Cherokee. He had three sisters, two of whom died prior to 1902, The surviving sister, Annie Parks, basing her claim through the above named ancestors of herself and her brother, is on your Roll opposite your Roll No. 20698.

If there are any funds remaining in your office after the present payment is concluded, which can be used for the payment to these Eastern Cherokees who are not on your roll, but who are entitled to participate in the fund; I have the honor to recommend that the minor children, especially, of Charles Colston, be given favorable consideration.

Dear Mr. Long:

In your letter of Aug. 20th, 1910 you call attention to the case of Spencer Shelton, Jr. of Nowata, Okla. and recommend that if possible he be permitted to participate in the Eastern Cherokee fund. An examination of this case shows that no application was filed by Spencer Shelton, Jr. in his own behalf but that an application was filed by his father stating that he made this application as his son was away, whereabouts unknown. The claim was rejected for the reason that this adult Indian did not file a claim in his own behalf and there was nothing in fact of record to show that he was living. In 1909 his father was notified by letter of this action and there has not yet been anything filed from the said Spencer Shelton, Jr. in his own behalf, but in each case the papers are filed by his father. I would therefore respectfully ask you to state whether you have any personal knowledge that Spencer Shelton, Jr. is now living, or whether you obtained the information in regard to him only from his father. If he is living, please state what his present post-office address is and also please state where he was living from August 1906 to August 1907, and why he did not make a personal application. Please let me hear from you at your earliest

Nowata, Oklahoma, October 31, 1910.

Hon. Guion Miller,
Special Commissioner of the Court of Claims,
Washington, D. C.,

Sir:-

I am in receipt of your letter of October 24, 1910, with reference to the case of Spencer Shelton, Jr. of Nowata, Oklahoma. You asked me to state whether I have personal knowledge that Spencer Shelton, Jr., is now living, and also to obtain from him an explanation of why he did not make a personal application to be permitted to participate in the Eastern Cherokee fund.

Spencer Shelton, Jr. was in my office today. I know him personally, and also know his father and brothers; the acquaintance extending over a period of more than six years.

In the early part of the year 1905, Spencer Shelton, Jr. left his home in Nowata County, Oklahoma, and went to Colorado; where, until November, 1907, he was employed upon different cattle ranches. He had been a cow-boy here prior to that time, and his roving disposition led him away from home. During the time he was in Colorado he did not communicate with his parents, nor did they have specific knowledge of his whereabouts.

Guion Miller - 2 -

10 - 31 - '10.

I questioned Mr. Shelton closely with reference to the reason why he did not make a personal application. He stated that he thought this matter was entirely in his father's hands, and that he never gave the question any thought. The father of Spencer Shelton, Jr. should have answered your 1909 letter and explained conditions. The reason that this letter was not answered, I am sure, is because the father expected his son to return home, and did not realize, until it was too late, the time had passed within which he could be enrolled.

Mary E. Seasons,
Wytheville, Va.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim the right to share in this fund, and state where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaty of 1835 or that of 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Rec. JUN 13 1908

No. 42833.

Application No. 42835

Mr Guion Miller, Special Commissioner
Court of Claims,
Washington, D.C.

Sir:-

Replying to your favor of the 10th inst. and answering the inquiries therein to the best of my knowledge, I will state as follows:-

1st. I cannot state why, my parents or grandparents were never enrolled in the Eastern Cherokee Enrollment, if they were not; as for myself I did not know anything about being enrolled.

2nd. My father Pharon Peoples was a slave and belonged to Col. Geo. Kincannon who lived at Austinville, Wythe County, Virginia. His father who was my grand-father, Clayborn Peoples, was a full blood Indian and never was a slave, and from my best information came from Ashkin Valley in North Carolina. My grand-mother was a slave and belonged to Col. Geo. Kincannon, she was also part Indian, do not know just what blood but think she was a half blood, that's what they always told me she was. Both my grand-father and my grand-mother were living in Wythe County, Virginia, in 1835, and also in 1851, my father Pharon Peoples was born in Wythe County in 1829. I do not know whether my ancestors were parties to the treaties of 1835 or 1846, or not.

The reason which I have for thinking that I am entitled to share in this fund is because I have always known from all the old people and those now living that my grand-father was a full blood Cherokee Indian and my grand-mother was also a half blood; of course I do not know myself but that is the ancestry which we can trace now, and although my grandfather was a full blood Indian and never a slave, he always lived in Wythe County, after he came here in 1820 or a few years later, and having always been here we can trace the blood very accurately.

Respectfully,

Mary E. Sessions

This day personally appeared before me, Mary E. Sessions, who being first duly sworn made the above statement to the best of her knowledge and belief, and has subscribed the same before me in my presence, this 12th day of June 1906.

Elisa Lethers being first duly sworn, deposes and says:

That I am 54 years of age and live near Sulphur Bluff, Tex. I claim my Indian descent through my father; my mother was a full blooded white woman. My father claimed Indian descent through his father, Armstead Walker). I suppose that my father was born in Kentucky, but I don't know what county. They came from Kentucky to Mo. just before the late war. ~~xxxxxxxiixixyearsxxlaxatxxthexixxx~~ My father was about forty years old when he died. My father never lived with the Indians as a member of the tribe, nor did my grandfather, that I know of. Neither my father nor grandfather were on any rolls that I know of. My I am considered to have more Indian blood than white. This is the only application I ever made for Indian benefits. I had a niece, Annie Motes, who made application to participate in this fund, and she died in 1907. My husband is a white man. My father nor his father never received any land nor money from the government by reason of their Indian blood. My grandfather was born and raised in Kentucky, to the best of my knowledge. Don't know what county nor what part of the state it was.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim the right to share in this fund, and state where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

My name is Alice E. Haynes. I live at 530 Chestnut St. Atlanta, Ga. I was born in 1875 in Carroll Co., Ga. My father's name is James Stovall, and my mother's name is Mary Stovall. They are both living. My father is between 50 and 60 years old. He was born in Carroll Co., Ga. My mother is between 50 and 60 years old. She was born in Campbell Co., Ga. I don't know where my father and mother were living in 1851. They were living in either Carroll Co. or Campbell Co., Ga. I claim Indian blood through my mother and her mother, I think. My grandmother's name was Melissa Wester. I don't know where she was born and raised. My mother and grandmother were recognized as white people. I never heard of them living with the Indians. I never heard of them getting any money or land from the Govt on account to their Indian blood. I heard my mother say that they had Indian blood in them. The name of my Indian ancestor through whom I get my Indian blood is Lasater. A man, but I don't know his given name. I think he came from S. C. I heard that he was a quarter Indian. I don't know what tribe. I don't know anything about it only that I have been told that I have Indian blood. My mother has filed an application. She knows very much more about it than I do. She lived at Temple, Ga. Carroll Co.

App. No. 43881

June 10, 1908.

John B. Chastain,
Crossville, Ala.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

To the special Commissioner
of the Courts of Claims &c.
Washington, D.C.

In reply to your
Question relative to the
Cherokee Indian Claims
(1) I do not ^{know} why they did
not register at the time of
registration.

(2) No, they were not slaves
I claim the right to the
claims of the Cherokee County
through my Grand mother
Chastain, who was married
before marriage.

Nancy Cowart. She
was said to have been almost
full blood Cherokee.

(3) My Grandmother lived in
Barnes County N. C.
in the year of 1835- and
in 1851 she lived in
Spartanburg S. C. is
my recollection.

As to being a party to
the treaties of 1835-6 and
1846. I don't know.

Now the name came
through the Jack Nickell
and belonged to the
"Holly House Fund"

Now I am sure I can
obtain a share of this
Cherokee Fund, for
I am sure I am entitled
to it and I have promised
to get it. I hope that you
will fully investigate
my case to position

I shall be glad to
serve

John B. Chastain, after being first duly sworn,
deposes and says:

I am 60 years of age; was born in Georgia but do not know what county. I claim Cherokee Indian blood through my father. I have never before application for Indian money from the government and have never received any. In 1852 I lived in Bradley County, Tenn. I do not know if my father ever received any Indian money or ever tried to get any. My father was born in Buncomb County, N.C. among the Indians. He was a recognized white man and lived among the white people. I have been told that my grandmother was almost a full blood Indian. My father was a voter. My father was familiar with the Indian language. My father would not talk about his Indian blood. He had very black hair and a mixed grey beard. I have often heard my mother say that my father was a half breed. I do not recollect my grandparents.

Dear Sir I was appointed by and ^{for} Solomon Brantley, Charmie T. Brantley & Bedie Hines (Sister to above named persons) also by Samuel E. Ellis & Sarah E. Ellis my son & daughter to look after their Indian claims and after receiving your letter of June 10th I notice that all parties who's letters I have seen has bin rejected by you and I understand from said letters that a portion of said claims has bin accepted now if I knew what part of said claims has bin accepted and what part had bin rejected then I would know more what to do as I have already stated before the entire Brantley family was uneducated there is not even a family Bible in none of their families which will give any ages or any thing that we can refer back to now they have all sworn to their claims and rendered all the information they could in regards to their claims.

it is a Provable fact that 1/3 of the Brantley Family show the Indian Blood some more than others & I mailed you an affidavit made by Mr A B Bartlett who was raised with and among the Brantley Family he certified that they had told him that they had Indian Blood in them & also made affidavit that I married a daughter of Harris H Brantley who was a Brother to above named Brantley and that my wife always claimed the blood by which her Father had told her of the blood now if those affidavits was not recognized why should there be any more made if they are no good I would like you give me some instructions what to do if there is any use to do any thing more or no if there is and if be necessary for my applicants to do any thing more in filing further applications for said claims I would like the appointment to file out these claims there is a great many claimants in this section who are pressing me to no what and how they must proceed in the matter

Hon. Guion Miller

Washington, D.C.

Dear Sir: your kind letter
received. The reason we were not
sooner answered was that we
did not. That we are entitled
to participate in the fund.
Our fathers were not slave.
The ancestor through whom
was of a free more than
in white County, S.C. in 1854
and in the County of S.C. in 1854
he was probably a party to the
writing you refer to.

The reason I think we
are entitled to share in this
fund is we are a descendant
of Alfred Simmore who was
a Cherokee Indian if any
of his descendants are
entitled to share in this
fund we are.

I have tried to answer your
questions correctly and
will give any information
I can at any time hope
to hear from you soon.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JAN 25 1910
No. 2911

House of Representatives,

Washington, D. C.

January 24, 1910.

42911
Hon. Guion Miller,

Special Commissioner,

Washington, D. C.,

My dear Sir:

The enclosed letter from Mr. D. C. Williams, of Laurel Springs, North Carolina, will explain itself. Kindly give me what information you can in regard to the claim in which Mr. Williams is interested. He would be glad to submit additional testimony, if it is not too late.

Very sincerely yours,

Chas. H. Cowles

CHC/V.

App. #42911.

January 26, 1910.

Honorable Charles H. Cowles,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of January 24, 1910, inclosing a communication to you from Mr. D. C. Williams of Laurel Springs, N.C., bearing date of January 19, 1910, in which he make inquiry as to the Eastern Cherokee claims #42911 and #42912.

In reply you are advised that these claims were reported by me on May 28, 1909 to the Court of Claims with the recommendation that they be rejected for the reason of the failure to establish descent from a recognized member of the Eastern Cherokee tribe in 1835.

Exceptions were filed to this report and on January 5, 1910, I reported to the Court that my original recommendation in these cases was renewed, and that in my opinion the claim should be rejected. The Court now has under consideration all exceptions filed to my report and will probably at an early date render some decision upon the same. No further action can now be taken in the cases.

Mr. Williams' letter is returned to you, herewith.

Very respectfully,

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,

Special Commissioner.

June 10, 1908.

Francis M. Nordin,
Monett, Mo.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and where that ancestor resided in 1835 and 1851.

Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Monett Mo. June 26 1898
Special Commissioner of the Court of Claims
Eastern Cherokee Enrollment
Washington, D.C.

In reply to yours of June 10th. My father
is a white man. My mother has been dead
for several years. My grandfather was
a white man. My grandmother is a
Cherokee. There was not any of our
ancestors slaves that I know of. I
claim to share in Eastern fund through
my grandmother. Her maiden name was
Nancy Seratt. Her married name is Nancy
Lane. I don't know where she resided in
1835 & 1837. I don't know whether she was a
party to the treaties of 1835-6 & 1846 or not. My
reason for sharing in the Eastern fund is
because my grandmother is a Cherokee,
and has been trying to be enrolled for years.
I don't know why she was never enrolled.

Very Respectfully
Francis M. Nordin

Andrew J. Nordin, being first duly sworn and examined, deposes and says:

My name is Andrew J. Nordin: I am the father of Nancy Emaline Reed: she claims her Indian blood through her mother: she makes no claim through me: I am not certain where the mother of Nancy Reed was born: I think she was born in Tenn.: I do not know the county: my wife got her Indian blood from her mother: my wife's mother's maiden name was Nancy Seratt: I do not know where Nancy Seratt was born or the date: I do not know whether Nancy Seratt ever lived with the Indians as a member of the tribe or not: in 1815 I do not know where Nancy Seratt was living: in 1851 she was living in Crawford Co., *Mo.* I think: I do not think my wife or her mother were ever enrolled: I do not know whether any of my wife's ancestors ever lived with the Indians or not: I do not know how much Indian blood Nancy Seratt had: I do not know whether any of my wife's ancestors ever went West with the Indians or not: it was generally known in the community that the grandmother of my daughter was of Indian descent: I do not know of any of my wife's people ever being enrolled.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and where that ancestor resided in 1835 and 1851.

Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

COURT OF CLAIMS EASTERN CHEROKEES. REC. JUN 22 1908 No. 42939.

#42939

Miscel.

Isaac F. Wheeler being first duly sworn, deposes and says:

That I am 38 years of age. I claim my Indian descent through my mother; my father was a full blooded white man. My wife is a full blooded white woman. My mother claimed Indian through her father, Tommy Jones. My mother was born in Louisiana, I think. She was about 26 or 27 years old when she died. Her father, they tell me, was born and raised in Louisiana. He died in Texas about 1861. He had been in Texas six or seven years when he died. I think my grandfather lived with the Indians in Louisiana. He ceased to live with them when he moved to Delta Co., Tex. He claimed to be a full blooded Cherokee Indian. My mother lived with my grandfather up until the time he died. I am recognized as a mixed blooded man in the community. I nor my mother nor grandfather were never on any roll that I know of and we never received any land or money from the government. This is the only application I ever made for Indian benefits. I have a brother living in Okla. - Whitehead. His name is Richard Washington Wheeler, and I don't think that he has made application to share in this fund. Don't know when nor how old my grandfather was when he died.

Very little if any Indian blood

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,
